

Connect With a Community Navigator

Narration Script

SCENE 01

Do you have a child who was recently diagnosed with a disability or need assistance with emerging developmental challenges?

SCENE 02

Are you looking for guidance and support from someone who understands what you are going through as you advocate for your child?

SCENE 03

The Community Navigator Program provides a link to support services for families with children from birth to 22 years old and for individuals aged 22 and older.

SCENE 04

Our team is friendly, flexible, and focused on supporting you with a low-pressure collaborative approach.

SCENE 05

Our Navigators have personal experience caring for someone with a disability and know how to locate and direct you to the most relevant and effective resources to meet your family's current needs.

SCENE 06

Consult with your Navigator over the phone, email, Zoom or in person, whatever works best with your life and schedule.

SCENE 07

Get directed to housing and food assistance programs and learn how to apply for public benefits.

SCENE 08

Your Navigator will connect you to the Regional Center to establish and manage services and therapies and help you apply for Special Education programs.

SCENE 09

You'll also be introduced to support groups and family activities and gain a deeper understanding of and competency with your child's disability.

SCENE 10

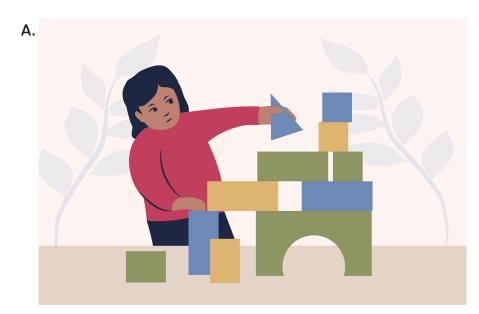

Your collaboration will continue for as long as you need and ends when you feel you no longer require the same level of support.
